

Transformation and extension of the Youth hostel in Zermatt The project involves transforming a former building and constructing two new ones, whose setting creates a courtyard overlooking the Matterhorn. From outside, the very sober expression of the new volumes fosters their integration in the surrounding context. Inside, in contrast, bright colors highlight diversity and adventure.

Transformation and extension of the Youth hostel in Zermatt

Builder

Swiss Foundation for Social Tourism, Zürich

Procedure

Parallel study contract 2001

Costs BCC 1-9

CHF 6.9 Mio.

Realization

05.2003 – 12.2003
